

CHURCH GROWTH IN 10 BLOCKS

SEND Center
(Lodwar) ★

Through the Share staff, missionaries, SIMI students, Sunday School and Adult Literacy teachers, we have seen incredible growth with the process of establishing healthy Blocks and churches that continue to make disciples that make disciples of others. This quarter, in Share planted churches, we have seen:

1,515 saved **777** baptized

25 ADULT LITERACY CLASSES

have now been established across Turkana land. The enrollment now stands at 786 learners.

Planted new churches in 2 villages

4,236 in 9 villages
watched The Jesus Film

620 new believers
during outreaches
by Share Staff and Missionaries

81 small-scale farmers

have been trained on how to grow vegetables within their households for subsistence

THANK YOU!

The Share International Missions Institute (SIMI) students have now been taught, trained, and are practicing BigLife's Discipleship modules. They are making disciples that make disciples of others.

492 people in
7 villages

received food purchased through donations by friends in the U.S.

STORM 2018

Over the past 21 years, the annual Short-Term Outreach and Relief Mission (STORM) has sparked and ignited the hearts of several hundred people from the U.S. and Africa to participate in taking the Gospel to the remote villages of Turkana land.

This year a team of **25** participants saw: **621** people saved

3,004 hear the Gospel

237 Baptized

WITH YOUR HELP WE CAN REACH MORE VILLAGES THIS YEAR.

It costs \$2,000 to reach a remote village with the good news of Christ and your financial support makes it possible!
